

**BARTON COUNTY COMMUNITY COLLEGE
TRANSFER PROGRAM TO THE UNIVERSITY OF KANSAS
SCHOOL OF PHARMACY, PHARM D.**

Number to call at KU for advising: (785) 864-3591

E-mail: pharmacy@ku.edu
Website: www.pharm.ku.edu

Sixty-eight credit hours may be transferred to KU from accredited colleges. Students should apply for admission to the School of Pharmacy when they will have completed the 68 credit hours of required pre-pharmacy courses prior to the fall semester of the year for which admission is sought. New admissions are made only in the fall semester. While students must meet a minimum GPA of 2.5 overall and in science and math courses to be eligible, the average GPA for successful applicants is much higher. Students are required to take the Pharmacy College Admission Test (PCAT). The School of Pharmacy accepts approximately 105 first-year professional students each year. Students are encouraged to meet with a pharmacy advisor during their second or third semester in the pre-pharmacy curriculum to review their academic record and prepare for the admission cycle. For detailed admission information see our website listed above.

A total of 208 hours (12 semesters; 6-year program) is required to earn a Pharm.D. degree.

GENERAL REQUIREMENTS (68 semester hours must be completed)

KU Course Requirements

Barton County Course Equivalent
