Students who have completed the following requirements are eligible to be candidates for admission to the School of Journalism:

-Regular Admission: Completion of at least 45 credit hours including a second-level math course, oral communication course, natural science course with lab, economics course, social science course, humanities course, completion of a foreign language through the second level and JOUR 101 or the equivalent with a minimum 2.5 cumulative GPA.

Admission is competitive. The number of students admitted each semester depends on the number graduating in the preceding semester and the School's overall capacity. Candidate selection is based on GPA. Ninety percent of available spaces will be filled by candidates with the highest overall GPAs. The remaining ten percent will be selected from among those who petition by the deadline, provided their overall GPA is a minimum of 2.50. Transfer students must earn a minimum KU cumulative GPA of 2.50 during their first semester.

The BSJ degree requires 124 hours of college credit; a minimum of 33 hours and no more than 39 hours of journalism courses within the 124-hour total. Only 12 transfer hours in journalism may be counted toward the degree. Sixty-four credits may be transferred from a community college. Students should be aware that 45 junior/senior credit hours are required for completion of the bachelor's degree. Thirty hours must be completed after admission to the School of Journalism.

A student not eligible for admission to the School of Journalism may be admitted to the College of Liberal Arts and Sciences as a pre-Journalism major.
