Scholarship Deferment Form

The purpose of this form is for the student to request from the Office of Admissions and Scholarships that his/her scholarship be deferred for a designated period of time. For numerous reasons, however have every intention of resuming their studies at the University of Kansas. The Scholarship Committee has approved scholarship deferments for students participating in University sponsored academic co-ops and church organized missions, as well as for students with health issues where recuperative time is required.

Should you feel that your situation necessitates a scholarship deferral, certain requirements set forth by the Scholarship Committee must be met. A Scholarship Deferment Form with supporting documentation must be submitted to the Associate Director of Scholarships, within the Office of Admissions and Scholarships. The form should be submitted as soon as you are certain the situation requires that your studies be suspended. During the deferment period, you may not attend another university or college. Current students are required to submit a "Readmission Application." If you have not begun your studies at KU, you will be required to submit a new application for either freshmen or transfer admissions prior to their respective deadlines. The Scholarship Deferment Form can be found at www.admissions.ku.edu
