

Office of Admissions and Scholarships

Special Consideration Form

Scholarships from the Office of Admissions and Scholarships allow for eight semesters of undergraduate studies at the University of Kansas. Students receiving scholarship support from the Office of Admissions and Scholarships may graduate after seven semesters of study. The purpose of this form is for the student to request that his/her scholarship(s) be utilized for the summer school prior to the last fall semester of study and December graduation.

If you anticipate graduating a semester early and desire that your scholarship be utilized during the summer session before the last semester, requirements set forth by the Scholarship Deferment Committee must be followed. A Special Consideration Form must be submitted as soon as you are certain you will be graduating in seven semesters. A letter of support must accompany the form from your academic advisor that you will be graduating in December.

Please provide the following information to the committee:

Name _____

Mailing Address _____

City _____ State _____ Zip Code _____

KUID _____ Social Security Number _____

On an additional sheet of paper, please type the following information for the committee:

1. Name of scholarship from the Office of Admissions and Scholarship
2. Monetary Value of scholarship

You are also required to submit a letter from your academic advisor stating that you will be graduating in December.
